Project Overview: Tucker Pride Activity & Coloring Book

Tucker Pride, an LGBTQIA+ nonprofit organization, is developing a community-centered activity and coloring book designed to celebrate the City of Tucker through youth creativity, civic pride, and inclusive representation. This project brings together local families, young artists, and community partners to create a meaningful, tangible resource that reflects the spirit of our city.

Inclusion & Visibility

As an LGBTQIA+ organization, Tucker Pride is committed to ensuring that all individuals—especially youth—see themselves reflected in positive and affirming ways. This book emphasizes kindness, respect, and belonging while celebrating the diversity that strengthens our community. The content is family-friendly and designed to highlight shared values in an accessible, age-appropriate way.

At its core, the book is both creative and educational—featuring original artwork from Tucker’s youth alongside engaging activities that highlight local parks, landmarks, and shared community experiences. Through puzzles, reflection prompts, and affirming messages, the book encourages self-expression, confidence, and a sense of belonging.

What the Book Includes:

- Youth-submitted artwork from the Tucker community
- Activities featuring local parks and points of interest
- Reflection and affirmation pages promoting confidence and belonging
- A brief introduction to Tucker Pride and its mission
- Sponsor recognition and community partner acknowledgments
- Opportunities for individual donor dedications and affirmations

Community Impact

This project is more than a publication—it is a community engagement effort. By inviting young people to contribute, we foster ownership, pride, and connection to Tucker. Families are encouraged to participate together, supporting literacy, creativity, and local awareness.

Through this initiative, Tucker Pride aims to create a lasting, locally-produced resource that celebrates Tucker while reinforcing a simple message: everyone belongs here.
